

Joining „CampusBlosn“ – Symphonic wind orchestra of the University of Regensburg

How do I become a member?

By audition. Auditions for the CampusBlosn (symphonic wind orchestra) take place at the beginning of each semester.

Do you have to register in advance?

Yes. If you are interested in joining CampusBlosn, please write an email to musik.campusblosn@web.de with your name and instrument! This way, you are automatically registered for the foreplay and receive detailed information about it. Please do not register for the foreplay on our social media channels!

What does the audition look like?

For the summer semester 2025, auditions will take place in person from April 14th to April 16th. (If you are unavailable on these dates but still wish to audition, please mention this in your email and we will arrange an alternative appointment with you.)

You may prepare two pieces for your audition:

1. A freely chosen piece that you have already learned (duration: approx. 1.5 – 3 minutes)
2. A selected excerpt from a piece from the CampusBlosn repertoire

Detailed information about the audition and the sheet music for the required piece will be sent via email after registration.

If needed, there is a possibility of immediate acceptance.

If the audition is not successful, you may reapply in the next semester.

Does this have to be repeated every term?

No. Once you have become a member of the orchestra, you are entitled to your position until the end of your studies in Regensburg. If the respective positions are not occupied by students from the University of Regensburg and OTH Regensburg, other students or employees of the University of Regensburg, as well as former students are warmly welcome.
